WHAT TO DO

If your child is missing from home, search

» Closets
» Piles of laundry
» In and under beds
» Inside large appliances
» Vehicles—including trunks
» And anywhere else that a child may crawl or hide

Immediately call your local law-enforcement agency and provide them with your up-to-date Child ID Kit.

After you have reported your child missing to law enforcement, call the National Center for Missing & Exploited Children® at 1-800-THE-LOST® (1-800-843-5678).

HOW TO USE THIS KIT

When searching for a missing child, the most useful tools for law enforcement are an up-to-date, quality photograph and descriptive information. Complete this Child ID Kit by attaching a recent photograph of your child and listing all identifying and medical information. Update the photograph and information every 6 months, and keep the Kit in a secure, accessible location.
