Sheri Lynn Johnson

NCIC# M894329418

 Missing Since: November 10, 1974

 Independence, MO

 Age Now: 55 Years Old

 Female

Composite images have been created to show what Michael may look like at age 37 and what Sheri may look like at age 40. They were last seen at their home in Independence, Missouri in November of 1974. The missing date is an approximation as it is unknown exactly when they were last seen. The height and weight listed for each one is also an approximation as their exact measurements at the time of their disappearance are unknown.
