

APPLICATION FOR ADMISSION

NCMEC FORENSIC IMAGING TRAINING

Please complete this application for consideration in attending the next scheduled one-week training course in forensic digital imaging. The course is offered free-of-charge to law-enforcement artists or those non-sworn individuals having a contractual relationship with a recognized law-enforcement agency. **Students will be notified if accepted and when to attend.** Students are responsible for all related costs incurred in attending the course. Send this application to: **Mr. Robert Lowery, Executive Director, Missing Children Services, National Center for Missing & Exploited Children, Charles B. Wang International Children's Building, 699 Prince Street, Alexandria, Virginia 22314-3175.** **In addition, have your supervisor submit and attach to this application a formal request that you be considered for the next available class. The supervisor should include a return mailing address-phone number.**

The National Center for Missing & Exploited Children's one-week training course in forensic imaging uses Adobe® Photoshop®. The course also draws on the student's artistic ability to complete assigned tasks. Please list below your experience in Photoshop and your art history.

The Director of the Missing Children's Division and the Supervisor of the Forensic Assistance Unit will review this application. **Please do not make travel or hotel arrangements until advised of acceptance and when the next imaging class is scheduled.** When three or more applications are received a new class will be scheduled. Applicants will be notified of the class dates.
